Age Verification

Birth Certificates or passports are required for anyone to play!

- If you have played a previous season with us this year and have already submitted you do not need to resubmit!
- We have sent out emails to anyone that still needs to submit!
- The deadline to receive age verification is by 9/12. If we do not receive a birth certificate or passport the child will not be able to play until we receive it and verify the age. *Please don't wait until the last day!
- What we will take?
 - Birth Certificate
 - Passport
- Parents have these options to submit:
 - Email it to playtcsports@thecolonytx.gov
 - Stop by the recreation center for staff to make a copy.

Age Qualification

What is the aging date for this season?

9/1/2025

How does the aging date work?

Whatever age your child was on 9/1/2025 is the division they qualify for.

- Example: My child was 10 on 9/1/2025, but he will be 11 years old during the season. He technically qualifies for the 10U division. If you would want to play up in the 12U division you would have to get approval from the Athletics staff PRIOR to registration.

Exceptions?

- We only have a few exceptions for someone to be able to play up a division.
 - You can find an informational sheet with more information on exceptions on playtcsports.com!
- We NEVER allow a child to play down and age division due to safety reasons.

Playing Up Requirements

Playing up requirements:

For any child playing up, they have to follow the below requirements:

- Directly requested by the coach
- The parent will be the head coach
- They turn the required age during the season (ex: they are 10 and turn 11 the 2nd week of the season, they can play in 12U)

All players requesting to play up must go through the athletic staff directly PRIOR to registering for the season. They will not be able to register online.

Coaches

We rely on volunteer parent coaches for this league to run! All teams in the league are coached by volunteers!

- **Coach Requirements**
 - **All coaches are required to do a background check in order to coach for the season!**
- **We require each team to have assistant coaches.**
 - **If there is not a cleared assistant available to take over for your team the game will be considered a forfeit.**
- **Anyone who would like to assist on the sideline at games or assist at practice must go through the background check process!**
- **The background check process can take 2-5 business days.**
- **Anyone that is not officially cleared will not be allowed on the sideline.**

Thank you to all of those who have volunteered their time to coach!

Team Formation

Each season is a fresh start for team formation! This means you are not guaranteed to be placed on a team that you have always played with or your friend request! We try our hardest to accommodate all requests that come through, but at a point it becomes impossible when you are trying to accommodate 100-200 requests.

Factors we use to determine teams:

- Number of Players registered
- Number of coaches/teams
- Coach Request
- Friend Requests
- Age
- Seasons Played
- School
- Height
- Weight

*Teams can possibly have a max of 10 on a roster. *10 is not guaranteed

Unfair Player Distribution

Fair Player Distribution

“Why am I not getting the full 10 on my team?”

If we don't receive an equal amount of players per team we won't accommodate the full 10 player requests. We try to even out the teams as best as possible and accommodate as many request possible. As well as to not promote “stacking teams” as the parents refer to it.

If coaches have more than 10 kids requesting to be on their team it is the coach's final decision on who makes it on their team
